CAREER OBJECTIVE

Second-year law student at Alexandria University with practical training in legal affairs, financial auditing, and volunteer management, and certified coursework in intellectual property, governance, and Islamic finance. Seeking scholarships, training programs, and workshops with leading institutions to deepen my legal knowledge and apply discipline, organizational, and problem-solving skills in a professional environment.

EDUCATION

Law Student - Faculty of Law, Alexandria University (2nd Year)
Focused on understanding legal and legislative principles, and developing analytical and argumentation skills that support administrative and field work.

EXPERIENCE & PRACTICAL TRAINING

Legal Affairs Trainee - Alexandria Port Authority (Ministry of Transport)
July 12 - 16, 2026
Attended practical and applied training within the Legal Affairs Department, including legal contract formulation and administrative matters.
View Certificate

Audit and Accounting Trainee - Financial Accounting & Auditing Office, Cairo
6 months
Gained experience in financial auditing, balance sheet analysis, internal control evaluation, and financial report preparation under the supervision of Dr. Gerguis Fawzy. A professional recommendation letter is available.

Volunteer - Egyptian Red Crescent, Youth Management & Volunteer Development Department
Intensive online training | July 16 - 17, 2026
Certificate of Appreciation for participating in an intensive training program on administrative organization, crisis management, and humanitarian field response.
View Certificate

Field & Organizational Work Skills Training Program - Resala Charity Association
2026
Developed direct communication skills, field file organization and management, and the ability to solve real-world problems.

COMPETITIONS & EVENTS

Participant - Atomic Challenge, Union of Organisations of the Nuclear Industry "Atomic Cities" (Rosatom)
2026 | Score: 17 points
Certificate of Participation for completing the Atomic Challenge, an international science outreach competition supported by Rosatom and partner institutions.
View Certificate

Attendee - Techne Summit 2026 (an aMEIW event), Alexandria
